Qabalah

The Mystical Heritage of the Children of Abraham

FROM 1969-1984, under the auspice of the Work of the Chariot Trust, an adept mystic held private meetings at his house, during which he taught the core ideas and practices of the Mystical Qabalah. Daniel Feldman was one of his earliest students, a relationship that has lasted for over thirty years. In this landmark book, Daniel presents the first comprehensive record of his mentor's teachings. Much of the detail and many of the diagrams in this book are not found in any other work on the subject in any language.

“This is the most important publication in the field since Aryeh Kaplan’s *Meditation and Kabbalah* and Dion Fortune’s *The Mystical Qabalah*, and may well come to be regarded as one of the most significant books on the Qabalah ever published.”

— Nevill Drury, Adyar, world’s largest metaphysical bookstore

“Erudite, challenging, and fun. I’ll be recommending it to all my students.”

— Will Parfitt, author, *The New Living Qabalah*

“This is the single most valuable resource available on the Qabalah. It will appeal to all who are interested in the universal teaching at the core of all religions and wisdom traditions.”

— Dr. Thomas Hickey, Professor Emeritus, Maharishi University

“If you have been searching for a single book that gives you the complete and genuine teachings of the Mystical Qabalah, this is the book you have been waiting for.”

— Richard Fuller, Metaphysical Reviews

“As a student of Qabalah, I’ve read numerous titles on the subject. If this did not equal my favorite, then it surpassed it.”

— Seve McCardell, Spirit Book Reviews
